The wait is over. OTHFH Ep. 25 out now

This episode got a little crazy... I ended up with more pussy than I thought I would. So I went to a run down hotel to fill a bitch up with som a dick. and I did just that, but I guess we were a little too loud. The lady next door came over to our room and complained. After trading w ords with this bitch... next thing I knew, I had the bitch from next door bent over taking long hard strokes... while her man waited patiently o n her to return smh... I keep telling you guys... those hos ain't loyal at all... He was wondering the whole time what took her so long to come back. Exclusively on my fan club.

There won't be a free version of this vid, so if you want to see it you gotta sign up to my fan club... chuuuuch!!!
